Welcome to the NT

With so many places to explore, it's hard to know where to begin!

The Northern Territory is full of opportunities to explore natural wonders, experience a rich history, connect with culture and observe Australian wildlife. Discover the NT with the experts and let Territory Discoveries help point you in the right direction.

Darwin & Litchfield

As the Northern Territory's thriving capital, Darwin attracts travellers from all around the globe with waterfront dining, crocodile adventures and rich historical experiences, which are all within a few minutes of the city centre. Litchfield National Park is just a short 90-minute drive from Darwin and is a favourite for the locals year-round.

Kakadu

Kakadu National Park is a natural wonderland; home to hundreds of different bird, animal and plant species. Discover Australia's ancient Indigenous culture with rock art that's over 20,000 years old, or soak up the views of the waterfalls and take a dip in nature's own infinity pool at Gunlom.

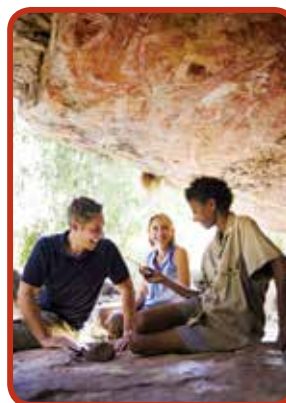

Katherine & Nitmiluk National Park

Katherine and Nitmiluk National Park will leave you spoilt for choice in the region where the tropics meet the outback. Nature comes alive at Nitmiluk Gorge as you cruise, canoe or fly by helicopter along the Gorge. Learn from the land at Tom Curtain's Katherine Outback Experience or get a hands-on perspective of Indigenous culture with the Top Didj Aboriginal Cultural Experience.

Arnhem Land

Considered one of Australia's last unspoilt areas, Arnhem Land is waiting to be discovered. Stay at an eco-wilderness island retreat, take a chartered fishing trip, go on a four-wheel drive adventure or just relax on one of the region's white sandy beaches. There's a new experience around every headland, on every beach and down every trail.

Uluru, Kata Tjuta & Kings Canyon

As the spiritual heart of Australia, Uluru and Kata Tjuta (the Olgas) have a strong cultural history ingrained in each experience. Explore the base on foot with an Indigenous guide or learn traditional dot painting. A worthy detour in the region is Kings Canyon, where you can challenge yourself on the Rim Walk to take in the views.
